

I'll Take the High Road

Eleanor Kingston, Lead Strategy Adviser: Historic Environment

Aims of the morning

- Meet the Team
 - Find out about the project
 - Archaeological background to the site
 - What are we going to do?
 - How to get involved and booking a place
-

Our Common Cause: Our Upland Commons

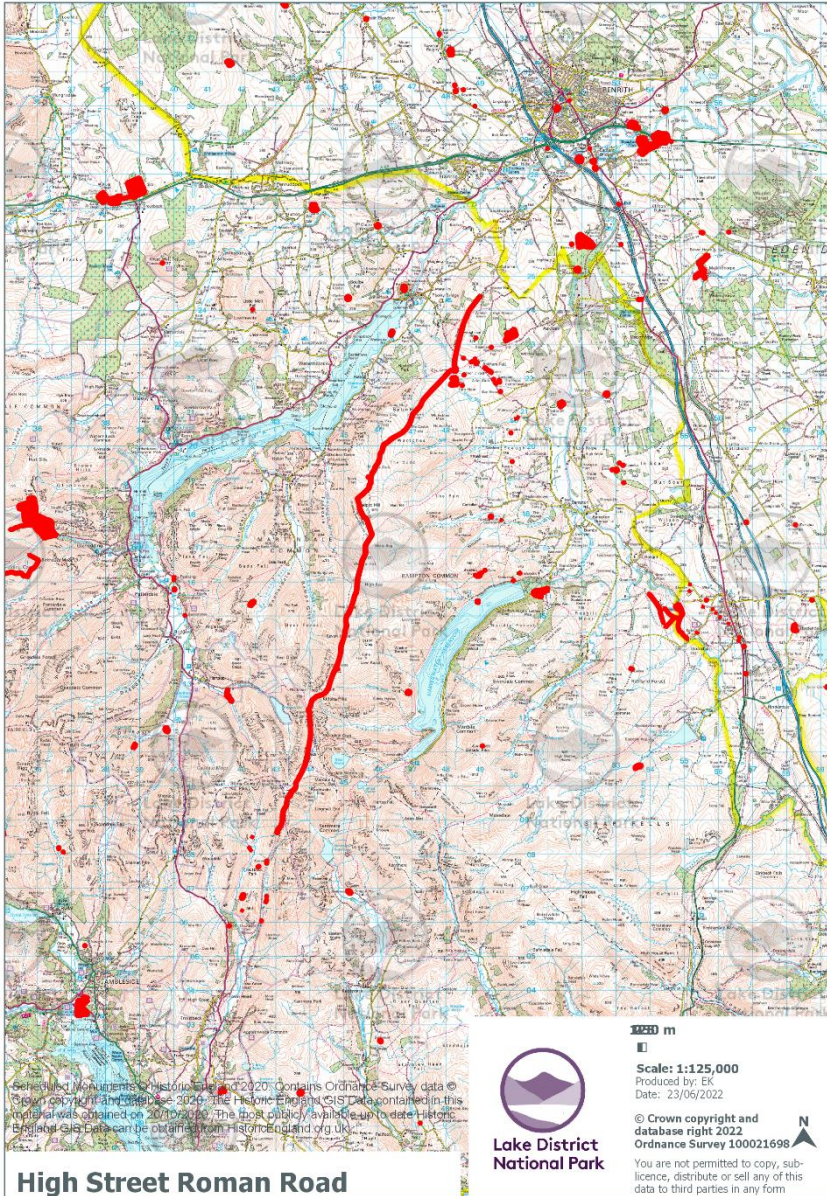

- Our Upland Commons Project is a three-year, £3m, 25-partner project helping to secure the future of upland commons in Dartmoor, the Lake District, Yorkshire Dales and Shropshire Hills. It's led by the Foundation for Common Land.
- Centuries old farming practices on commons, contributing to the Outstanding Universal Value of the Lake District World Heritage Site. But this land management system is under threat.
- Commons are relevant to many 21st century challenges, they can deliver nature recovery, flood management, carbon sequestration, cultural heritage management and wellbeing.

Our Common Cause: Our Upland Commons

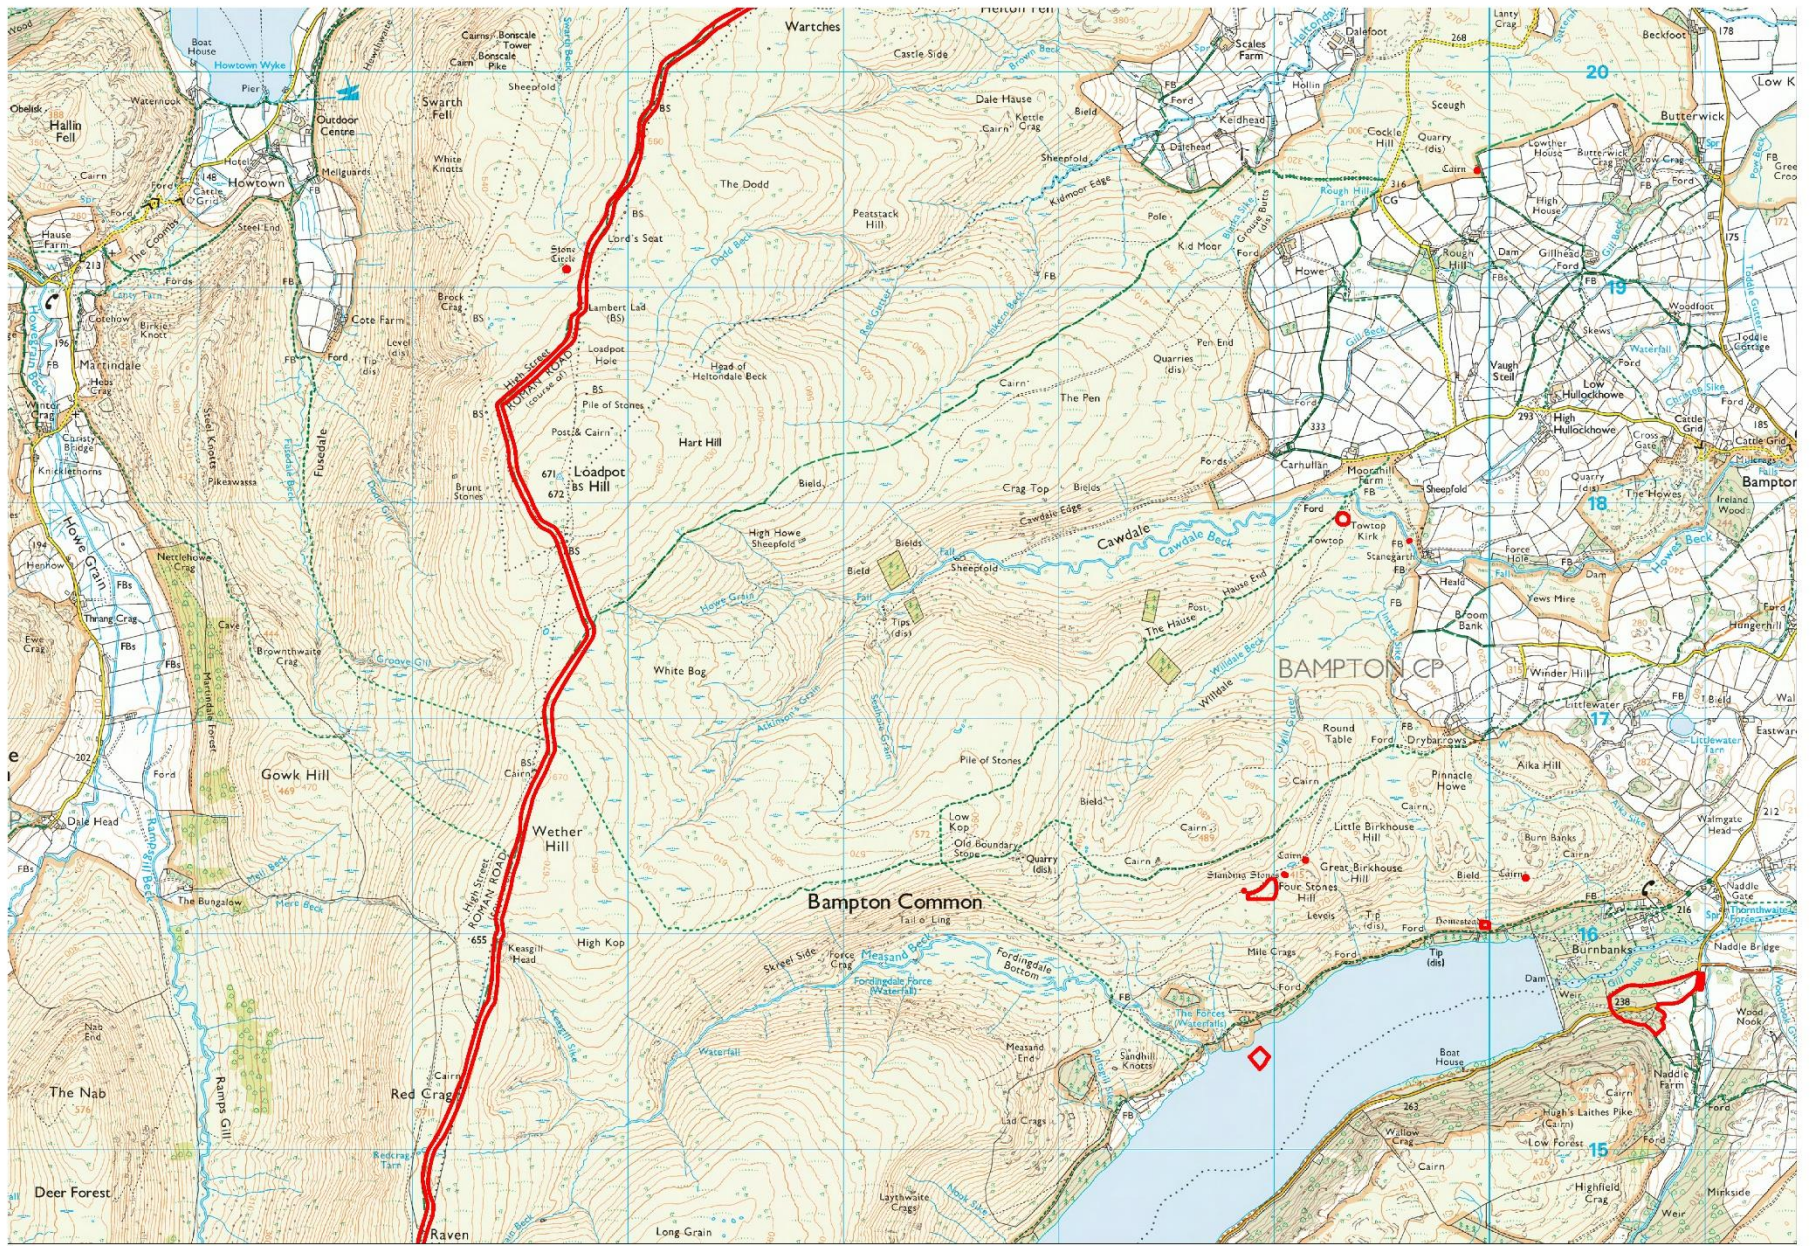

- This project hopes to:
 - encourage more diverse communities to enjoy nature and connect with the commons closest to them.
 - Helping everyone to understand the multiple benefits that come from commons and the importance of the commoning system.
 - Sharing skills that will enable and empower commoners to increase carbon storage, protect historic sites, enhance wildlife and habitats, and maintain the ancient practice of commoning.
 - Equipping participating organisations so they can better secure this heritage over the long-term.
- Three commons in the Lake District are part of the project – Bampton, Derwent and Kinniside.

I'll Take The High Road

High Street Roman Road

How Do I Get Involved?

- 8th – 21st August
- Booking system on Eventbrite

[High Street Roman Road, Bampton
Common Archaeological Dig Tickets,
Multiple Dates | Eventbrite](#)

- Sign up
- Join us and have fun
