Dear Paula

### **SEA Screening Opinion – Coniston Neighbourhood Plan**

Thank you for referring your draft Strategic Environmental Assessment Screening Opinion for the Coniston Neighbourhood Plan which was received on 1 October 2014.

We would concur with the Lake District National Park Authority's overall conclusion that no significant effects on the environment are likely which was determined following the carrying out of a methodological assessment having regard to the SEA Directive and Schedule 1 and 2 of the Environmental Assessment of Plans and Programmes Regulations 2004.

Yours sincerely
