NEIGHBOURHOOD PLANNING (GENERAL) REGULATIONS 2012

**PROPOSED BURNESIDE NEIGHBOURHOOD PLAN: DESIGNATION
OF NEIGHBOURHOOD AREA**

An application has been made by Burneside Parish Council for designation of a Neighbourhood Area under Section 61G of the Town and Country Planning Act 1990. The application was publicised on the Authorities website for six weeks from 28 April to 9 June 2016, and was also available to view at our main office at Murley Moss. No comments were received objecting to the designation.

We consider the area identified in the application to be the area most appropriate to be designated as a neighbourhood area for planning purposes. We also consider Burneside Parish Council to be a 'relevant body' for the purposes of the 1990 Act, and is therefore qualified to undertake neighbourhood planning.

We agree to designate the area which covers the whole of Burneside Parish excluding the area allocated for development in South Lakeland District Council's Local Plan known as Land West of High Sparrowmire and part of Land North of Laurel Gardens as a neighbourhood area, for the purposes of drafting a neighbourhood plan.
