Dear Mr Collison

Response to Matteredale Neighbourhood Plan Submission document

On 29 January 2015 we submitted an officer response in association with the above document, with the caveat that it needed to be ratified by the Authority's Members. I can confirm that at our Park Strategy and Vision Committee held today (25 February 2015), Members have endorsed the response and agreed for it to be submitted as the Authority's representation.

I trust this meets with your satisfaction.

Yours faithfully

Chris Warren
