Matterdale Parish Council

The consultation with electors in advance of producing a Neighbourhood Plan is likely to be in June and July. The initial questionnaire has not been produced as early as I had hoped; as I write this, I expect it to be available for distribution in the first part of June. Drop-in sessions and public meetings are planned for July. Notice boards at Town End and Dockray will give early

warnings of dates, as will July's edition of this newsletter.

Further information about the process of preparing the Plan will appear on the Parish Council website.

The Parish Council will meet on Monday 7 July, at 8 pm in Watermillock Village Hall.
