

ADVANCE NOTICE OF TEMPORARY FOOTPATH CLOSURE

FOOTPATH AT ANGLERS' CRAG, ENNERDALE AND KINNISIDE PARISH

Lake District
National Park

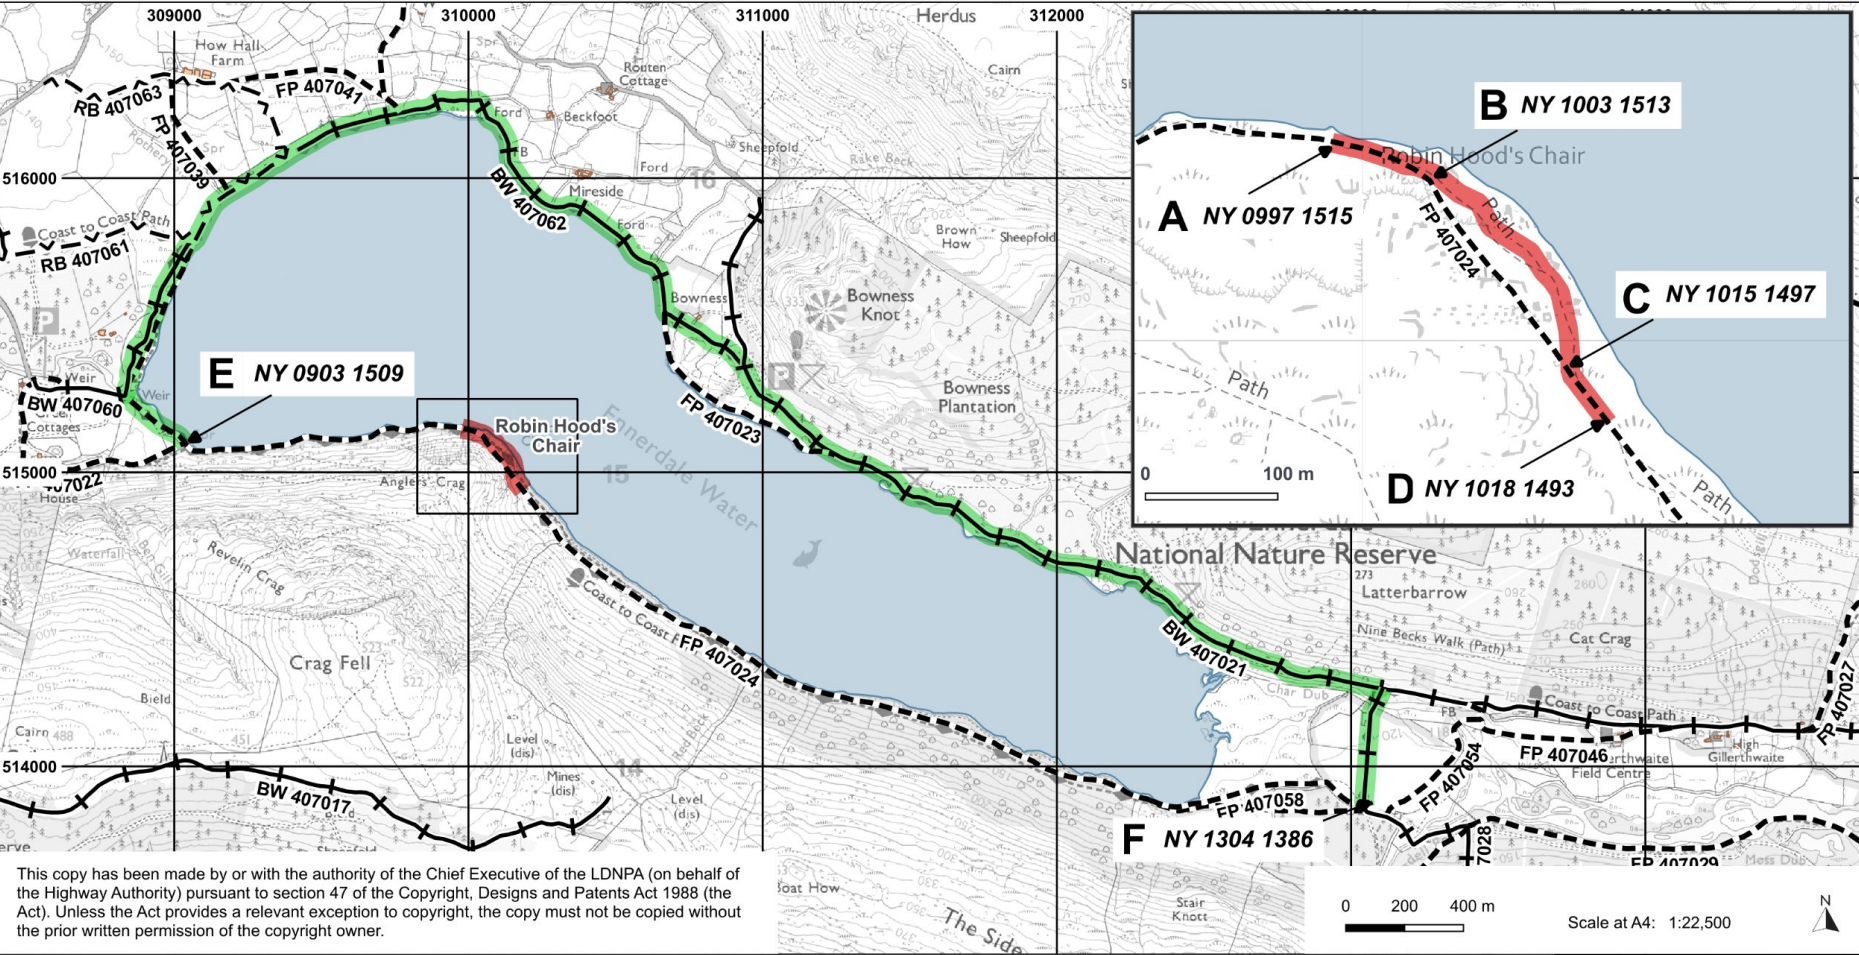

We intend to make an Order temporarily closing a section of path over Anglers' Crag (along the southern shore of Ennerdale Water). The closure will enable works to be undertaken to repair a collapsed revetment, address erosion of the path and improve its resilience to erosion.

Although an Order may last up to 6 months, it is expected that the closure will only be in effect for around six weeks (taking place some time between mid-November 2026 and the end of March 2027). Outside the works period the path will remain open as usual. During the works, there may be some times when the path can be made available outside working hours - additional signage will be used to advise when the path is open or closed.

An alternative route is available as shown by the green line on the plan between points E and F, using the public rights of way skirting the northern side of Ennerdale Water. Other alternatives are possible using other rights of way and surrounding open access land, depending on individual start points and destinations.

If you have any queries, please contact Will Hinchliffe, Rights of Way Officer, on 01539 792696, or will.hinchliffe@lakedistrict.gov.uk
