Lake District National Park

Bridleway Dedication – Woodlands North of Rusland Church, Colton & Satterthwaite Parishes

1. This authorisation confirms the legal event which will create a public bridleway on land in the ownership of the Lake District National Park Authority at Sawrey Stricely, Brewer Wood, High Crag Wood, Stricely Wood and Stoney Hazel in Colton and Satterthwaite Parishes.

2. On 13 October 2026 the Rights of Way Committee authorised the creation of a bridleway, as detailed on the plans and in the schedule.

3. The scheme of delegation allows for the Head of Rangers to accept dedications of public rights of way under the Highways Act. Where the creation is through a dedication on our own land, the actual formal dedication is made by the Head of Rangers and the Head of Resources in consultation with the Authority Solicitor. The Authority Solicitor has been consulted and has approved this dedication on LDNPA land.
